✿ Hello March

Dear Members,

I hope we are finally through with the frigid temperatures so we can now start enjoying a little bit of warmer weather. I was approached by DeWoun Hayes, Assistant Director, Advancement Services and SALT Program at Trinity College who asked if the Palos Heights Woman's Club would consider hosting a table at the SALT Open House on Wednesday, March 12, 2025. Of course, I said YES! For those who are not familiar with the SALT program at Trinity

"SALT (Seasoned Adults Learning at Trinity) is a membership-based program for community members 50+ who are interested in ongoing education and lifelong learning. Their mission is to provide personal

enrichment and education by offering interesting content and meaningful discussions through shared experiences". The PHWC will be promoting the benefits of membership in the Palos Heights Woman's Club. Please consider stopping by to learn more about this wonderful opportunity available right in Palos Heights. The open house is from 1:00 p.m. to 3:00 p.m. and will be located in Ozinga Chapel Grand Lobby. **Register by March 7<sup>th</sup>. Registration is required.**

Spring is coming and we hope it gets here soon so we can all get out and enjoy some nice weather! Hopefully you were able to join our Walking on Wednesday group or Witness the Fitness on Sunday mornings to help stay fit during the long winter days. We look forward to Pedal Pushers starting up again for the spring season!

Next time you visit Royalberry be sure to thank them in person and let them know you belong to the Palos Heights Woman's Club and how much we appreciate their generosity and support! **Tricia Trendle-Marker/Kim Prokes**

It is not quite Spring, but we trust you are all anxious for the tulips and daffodils to make an appearance. We are glad to report that we will be conducting a Spring flower sale! Please see page 5 for the order form and ordering and delivery information. We will be working with 88 Nursery as we are pleased with their product, service and pricing! Ted's Greenhouse Fundraiser runs from Mid-May to Mid June. The club gets 20% of all purchases made when the flyer is presented at time of purchase.

Please continue to donate your unneeded items to Together We Cope and Neat Repeats. We would appreciate if you could let us know when you give away these items. Also don't forget to use you recycle bin for cans, glass, etc. every bit helps the environment. Also, as reminder, bring your plastic bags, pull tabs, and new or gently used shoes. We will have a table set up at the meeting on March 4th to collect these items.

We will also be giving away scratch pads/note pads. (Product of my office clean-up project).

**PHWC Jewelry Sale Set for June 4th!**

**Susan Snow, Chair**

We have our date with the community, at the Palos Heights Farmers Market, on June 4, 2025. Our devoted customers await the treasures we have collected for sale. Please take this opportunity to look at your gently used jewelry in order to donate to this annual Club fundraising project. A collection bag will be at the March and April meetings, so you can begin to drop your clean jewelry items in the bag at these Club meetings. Later in the spring we can arrange for a drop off at my home. We will dazzle again!

PCA is an Illinois 501(c)(3) charitable organization which was established in 1990. Their mission is to prevent child abuse by providing statewide leadership through education, public awareness, support for community initiatives and advocacy. GFWC IL has partnered with PCA for over 30 years and pre-COVID would host a Fashion Show which many of us have attended. To get things “rolling again” [pun intended] GFWC IL is presenting a Blue Ribbon Bunco Fundraiser. The details are as follows:

## *Important Public Service Announcement –*

Not all that glitters is gold! Please be vigilant when opening attachments or links in emails. Donna Boeing's email was recently hacked, and an invitation was included in the body of the email. Fortunately, several of our members who received the email recognized this as a scam and did not open the link or the invitation. Bad Actors use this type of ruse to gain access to your computer and personal information! Sherry TerMaat's email was hacked a few months ago as well. The emails look so legitimate that it is easy to be fooled. When in doubt text or call the originator of the email to confirm before opening any attachments or links. Also, one dead give-away of a hacker is to look at the email address. See example below. When you hover over the sender's email address you will see that it is not their email address at all but a bogus fraudulent address. This info is not immediately visible unless you hover over the sender's email.

The finance committee recently met to discuss supplemental donations. These donations are in addition to the scholarships and donations which the Club budgeted for. We received many new suggestions for worthy vetted charitable organizations and each one was carefully considered. You may recall that the Club received donations in memory of Elenor Hawley and Jeanne Marbach. The committee is proposing a one-time Music Scholarship in memory of Elenor Hawley at Moraine Valley Community College and one Summer Camp Scholarship in memory of Jeanne Marbach. We will be presenting the above supplemental disbursements at the March meeting for approval. Please direct any questions to the Finance Chair, Rose Zubik. Thank you.
